**Applicant's Statement of Interview Summary**

The undersigned thanks Examiner Jerry Lin for the courtesy of the telephone interview on March 16, 2007. The undersigned and the Examiner discussed claim 8 in view of the specification and the prior art. The Examiner acknowledged that use of the term “differentiating” is helpful. Examiner Lin also suggested further amending the claims to delete certain language.

**Response**

Solely to expedite prosecution, and without acquiescing to the Examiner's contentions, Applicants have amended the claims to delete certain language as indicated above, in accordance with the Examiner's recommendations and without prejudice to or disclaimer of the subject matter recited therein.

In view of the foregoing amendments and remarks, Applicants respectfully assert that the application is in condition for allowance and request the timely issuance of a Notice of Allowance. If the Examiner does not consider the claims allowable, the undersigned requests that, prior to taking action, the Examiner call her at (650) 849-6749 to set up an interview.

Respectfully submitted,
